Go into any of the big offices. Pick outahundredmen. Separate the shabby from the well dressed. And you'll find the unreliable men, the careless men, the men-at-the-bottom, are \*he shabby men.

Shabby clothes seem to breed a shabby mind, just as bad thoughts breed bad habits.

It's the clothes we wear every day, that influence our lives, just as it is the things we do every day that make us what we are.

No matter what other styles may come and go, many men cling to this one style—the 3 button Sack.

So here is the universal favorite, but better than ever this spring.
